

Re-capture those curves with SmartLipo™!

Save \$500 on Your SmartLipo™ Procedure!

Is looking in the mirror making you miss those curves you used to have?

For a limited time you can save \$500 on your SmartLipo Package! SmartLipo is a laser surgery technique that removes unwanted body fat through a low-pain, highly efficient process that requires no general anesthesia and a very short recovery time of only 2-3 days!

Offer valid until 8/31/10.
